

Beachcombing

People have been living on the coast since prehistoric times, we will be looking for the things they left behind on the beach!

Please wear sturdy footwear and appropriate clothing when going beachcombing.

You might want to bring the spotter list, pencils (to mark down what you have found), and bags for your finds.

Spotter list

<i>Manmade things</i>
Blue-grey slag
House brick
Tile
Pottery
Glass
Wood (made into something)
